

Online Execution of Instructions

Internet-based services like Speed-e (NSDL) & Easiest (CDSL) empower a demat account holder in managing his/her securities 'anytime-anywhere' in an efficient and convenient manner and submit instructions online without the need to use paper. These facilities allow Beneficial Owner (BO) to submit transfer instructions and pledge instructions including margin pledge from their demat account. The instruction facilities are also available on mobile applications through android, windows and IOS platforms.

Linkages with Clearing System

The clearing System is for actual delivery of securities to the clearing system from the selling brokers and delivery of securities from the clearing system to the buying broker.
